

A3700

3-1/2" Series

Low Profile Trim

SPECIFICATIONS

TRIM	Powder coat painted or plated die-formed steel. Different finishes available. Painted finishes available with Marine Grade option.
LAMPS	PAR20 50W If you want to use the dimming option and you use a PAR20 LED lamp, please refer regularly to the lamp manufacturer compatibility list. Although LED PAR20 works properly in this product, it may be longer than the halogen lamp it replaces. As a result, the lamp may protrude from the lighting fixture.
CEILING CUTOUT	ø 3-5/8" (92 mm)
CERTIFICATION	cULus E174023 for damp locations
WARRANTY	1 year for standard finishes, 2-year on "Marine Grade" finish.

-04BR	Brushed Chrome	-15 Metallic Grey	
-05	Architectural Bronze		

MARINE GRADE

2-year warranty on finish

This option increases the painted finishes resistance by reducing and delaying apparition and propagation of oxidation (ex: rust and others).

MARINE GRADE treatment is recommended for damp to wet locations.

Unless otherwise indicated, trims are for interior use. Also suitable for cold and exterior locations, as in soffits, where fixtures are not subject to direct rain or snow exposure.

WARNING – This option is not suitable for salt environments and/or highly corrosive areas such as soffits in coastal regions and natatoriums. Such usage would void warranty on the product.
