

Goof Rings

For 4" (2000), 3 1/2" (3000) and 3" (4000) series.

When the outside diameter cut is larger than necessary or if the gypsum cracked or broke in the surrounding area of the hole, the goof ring will come in handy.

SERIES	CODES	DIMENSIONS	
		Outside diameter	Inside diameter
4" - 2000	RON2000	Ø 6 1/8"	Ø 4 1/8"
3 1/2" - 3000 series	RON3000	Ø 6 1/8"	Ø 3 5/8"
